

# ***N-95 Fit Testing for Sacred Heart Health System***

***All rotating medical students, residents, and fellows must contact the Pulmonary Educators for an appointment within the first 3 days of the beginning of their first rotation. This policy goes into effect for rotations that begin on or after November 1, 2016.***

## **SHHS RESPIRATORY PROTECTION PROGRAM**

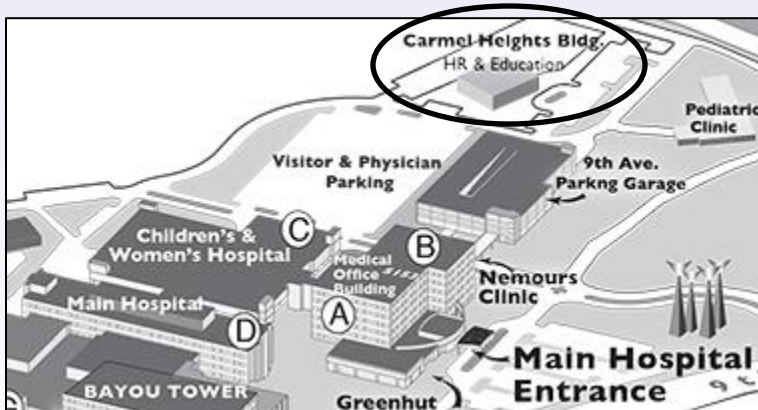

- The purpose of the N-95 Fit Testing is to ensure compliance with OSHA directives requiring the use of respiratory protection for the control of TB and airborne pathogen exposure.
- Delay or failure to comply with the N-95 fit testing may result in a delayed or cancelled rotation.
- Fit testing will be provided by the Pulmonary Education team on how to use the N95 respirator.
- Certificates of completion will be provided by the program and must be turned into GME (see below)
